

Want to become a little more involved ?

Little Athletics events can only run with people acting as officials in various places. Little Athletics has an accreditation program for officials so that we retain experience and knowledge of the events as families come and go from athletics. The accreditations are available for Starter, Timekeeper, Place Judge, Umpire, Throws, Jumps, Javelin, Walks Judge.

D – Level – Able to act as a chief official at Club Level

C – Level – ditto for Zone Carnivals

B – Level – ditto for Regional Carnivals

A – Level – ditto for State carnivals

How do you get involved ?

The process is simple. Each accreditation is earned after completing a simple **theory** or knowledge test, (multiple choice answers for D and C levels) and then be observed at your craft by a higher accredited person who will sign off on your **practical** experience.

We are having an officials seminar on Saturday 8th November 2008 at Dunbar, straight after normal competition. It only takes a couple of hours, so stay around and learn some more about the sport and get accredited to help officiate.

Further information is available from David Sunderland (Officer for Officials) or Ron Daniel on 0412 202 703.
